2012 Motorcycle Safety Training
South Central College, Center for Business & Industry
North Mankato Campus
Basic Rider Course

The Basic Rider Course offers the most complete motorcycle training available. Students must complete 14.5 hours of instructed training: 4.5 hours in the classroom and 10 hours of practice on a training motorcycle. This course is divided into two phases: Level 1 concentrates on motorcycle familiarization, clutch control, throttle control, riding posture, and the four basic skills: straight-line riding, turning, shifting, and stopping. Level 2 includes limited-space maneuvers, counter-steering, cornering, and swerving. Minnesota law requires motorcyclists under age 18 to pass an approved Rider Skills Training course. While no previous motorcycle riding experience is required, it can be beneficial. Students must be able to ride a bicycle and must possess a valid driver’s license or motor vehicle instruction permit. Each student must furnish his or her own protective clothing and DOT-approved helmet. 100% attendance is mandatory. Training motorcycles are provided for the Basic Rider Course.

If you are 18 years old or older, you must obtain a motorcycle permit prior to taking the BRC to receive your motorcycle endorsement.

Basic Rider Course 2 (Skills Practice) - $55

If you are comfortable on your own motorcycle and ready to try something new, the five-hour Basic Rider Course 2 (Skills Practice) will build upon your existing skills and knowledge. The BRC 2 covers mental strategy, traction, risk management, braking, cornering, and swerving techniques. The MN Motorcycle Safety Center recommends that you have at least one year or 1,000 miles of riding experience before enrolling in this course. Participants must be at least 16 years old. You must possess a valid driver’s license with either a motorcycle endorsement or a motorcycle instruction permit. Riders must be proficient with the basic skills of clutch control, straight-line riding, turning, shifting, and stopping. You must use your own street-legal motorcycle and show current proof of insurance during the first hour of the course. You must wear protective clothing and a DOT approved helmet.

Range: 12:00 p.m. - 5:00 p.m.
