Trained Medication Aide (TMA) Training
South Central College – North Mankato Campus
Cost: $450.00–includes books
(Non-credit)

Instructor: Pam Wolters

Description: This program, formerly medication administration for unlicensed personnel, is for training unlicensed persons to administer medications under the supervision of a licensed professional nurse. This course meets the MN Board of Nursing standards for TMA Program.

Eligibility Requirements:
- Must be 18 years of age.
- Nursing homes prefer that a candidate have a minimum of 1000 hours paid work experience in providing direct care of nursing related service at the direction of a licensed nurse in the type of setting the medication aide will practice. A currently registered RN who provided supervision for any of the 1000 hours recommends most candidates.
- These requirements can be waived with instructor permission.

Course Offered:

April 21, - June 9, 2010 (Wednesdays)
Make-up date scheduled for June 16, 2010
8:30 a.m.-3:00 p.m.
Room: E-114
Course ID: 001480

Pre-registration is required and must be received by April 14.
