Re-certification is required every two years. This class will review Minnesota Commercial Vehicle Inspection laws and Federal Regulations. It will cover new law changes; inspection changes and will include a test for re-certification. Classes are held from 8:00 am to approx. 1:00 p.m. The cost for this course is $90.00, which includes a $10.00 per student fee required by the State of Minnesota and all necessary course materials.

NOTE: Check your expiration date!!!!

It may be time for you to be re-certified. You have 6-months after your expiration date to be re-certified. (Reminder: You are unable to inspect during this 6-month period) If you go beyond this 6-month date, you will be required to take the 8-hour Certification Training and Examination. (Certification Training is held in Mendota Heights)
